### Policy Document GENERAL CONDITIONS

## 1. Age:

- (i) The premium payable under the policy has been calculated on the basis of the age of the Life Assured as declared in the Proposal. In case the age of the Life Assured has not been admitted by the Company, the Proposer/ Life Assured shall furnish such proof of age of the Life Assured as is acceptable to the Company and have the age admitted.
- (ii) In the event the age so admitted ("the correct age") is found to be different from the age declared in the Proposal, without prejudice to the Company's other rights and remedies including those under the Insurance Act, 1938, one of the following actions shall be taken:
  - a. If the correct age is such as would have made the Life Assured uninsurable under the plan of assurance specified in the Policy Certificate, the plan of assurance shall stand altered to such plan of assurance as is generally granted by the Company for the correct age of the Life Assured, subject to the terms and conditions as are applicable to that plan of assurance. If it is not possible to grant any other plan of assurance, the policy shall stand cancelled from the date of issue of the policy and the premium paid shall be refunded subject to deduction of the expenses incurred by the Company on the policy.
  - b. If the correct age is higher than the age declared in the Proposal, the premium payable under the policy shall be altered corresponding to the correct age of the Life Assured ("the corrected premium") from the date of commencement of the policy and the Proposer/Life Assured shall pay to the Company the accumulated difference between the corrected premium and the original premium from the commencement of the policy up to the date of such payment with interest at such rate and in such manner as is charged by the Company for late payment of premium. If the Life Assured fails to pay the difference of premium with interest thereon as mentioned above, the same shall be treated as debt due to the Company and shall be recovered with further interest thereon as mentioned above from the moneys payable under the Policy. Where the Life Assured is not found insurable, then the Company shall return the premiums (excluding extra premiums, if any) paid under the policy and terminate the policy.
  - c. If the correct age of the Life Assured is lower than the age declared in the Proposal, the premium payable under the policy shall be altered corresponding to the correct age of the Life Assured ("the corrected premium") from the date of commencement of the policy and the Company may, at its discretion, refund without interest, the accumulated difference between the original premium paid and the corrected premium.
