

Policy Document- Terms and Conditions of your policy

LifeTime Super Pension

Rider benefits are applicable when offered by the company and if, opted for by the Policyholder.

In this Policy, the investment risk in investment portfolio is borne by the Policyholder.

Brief Policy description: This is a regular premium unit linked pension insurance policy, which provides for saving for retirement by investments in the different fund options offered. The premium paid by the Policyholder is utilized to purchase units in the Funds after deducting applicable charges. On vesting the accumulated fund value would be used for purchase of annuities with an option to commute 1/3rd of the fund value as cash. The policy would also provide benefit on death if a sum assured is chosen.

Policyholder: means the Proposer under the Policy or the owner of the Policy at any point of time.

Life Assured: means the person on whose life the Policy contract has been issued, the insured.

Policy contract: The Policy is a legal contract between the Policyholder and ICICI Prudential Life Insurance Company Ltd (the Company), which has been issued on the basis of the proposal form and the documents evidencing the insurability of the Life Assured. The Policy contract comprises of the Policy certificate and the Policy document (terms & conditions including the Unit Statement/s to be issued from time to time and the mortality charges table and rider charge table). The Company agrees to provide the benefits set out in the Policy in return of the premium paid by the policyholder.

The Company relies upon the information given by the Proposer and/or the Life Assured in the proposal form and in any other document(s) or during the medical examination, if any. The Policy is declared void in case the information given is incomplete or inaccurate or untrue or in case it is found that the policy was issued on the basis of fake/tampered documents/proofs. Further details are stated in the "Incontestability" clause under General conditions.

The Policy enables the Policyholder to participate only in the investment performance of the Fund, to the extent of allocated units and does not in any way confer any right whatsoever on the Proposer/Life Assured to otherwise share in the profits or surplus of the business of the Company in any manner whatsoever or make any claim in relation to the assets of the company.

The Policy is subject to the terms and conditions as mentioned in the Policy document and is governed by the laws of India.

Free look period: A period of 15 days is available to the Policyholder during which the Policy can be reviewed. If the Policy is not suitable, this booklet should be returned within 15 days from the day the Policyholder receives the Policy.

The Company will return the premium subject to the deductions as follows:

- Proportionate risk premium for the period of cover
- Insurance stamp duty on the Policy
- Any expenses borne by the Company on the medicals.

The units will be repurchased by the company and any fluctuation in the Fund value will be on customer's account

1. Definitions:

In the Policy Document, unless the context otherwise requires:

- "Regular premium contract"** means Unit Linked Insurance Plan where the premium payment is level and paid in regular intervals like yearly, half-yearly or monthly.
- "Sum Assured"** is the guaranteed amount of the benefit that is payable on the death of the Life Assured. However the Proposer can choose zero Sum Assured. The Sum Assured is shown on the Policy Certificate.
- "Death Benefit"** means the amount of benefit which is payable on death as specified in the Policy document. This is stated at the inception of the contract.
- "Vesting Date"** means the date on which the annuity becomes payable.
- "Vesting Benefit"** means the benefit payable on the vesting date.
- "Rider benefits"** is the amount of benefit payable on a specified event and is allowed as add on to the main benefit.

(g) **"Unit Linked Fund"** means the pool of the premiums paid by the Policyholders and invested in a portfolio of assets to achieve the fund(s) objective. The price of each unit in a fund depends on how the investments in the fund perform. The funds are managed by the Company.

(h) **"Monthly Due Date"** means the date in any subsequent calendar month corresponding numerically with the date of the commencement of the Policy. In the event that there is no date in any subsequent calendar month corresponding numerically with the commencement date, then the due date shall be the last date in that subsequent calendar month.

(i) **"Unit"** means the portion or a part of the underlying segregated unit linked Fund.

(j) **"Net Asset Value (NAV)"** means the value per unit calculated in Rupees as mentioned below:

The NAV will be based on the appropriation price when the fund is expanding and the expropriation price when the fund is contracting.

The **appropriation price** is defined as follows.

$\frac{\text{[Market or Fair Value of the Investments plus expenses incurred in the purchase of assets plus Current Assets and accrued interest (net off fund management charges) less Current Liabilities and provisions]}}{\text{Number of units outstanding under the Fund}}$
--

The **expropriation price** is defined as follows.

$\frac{\text{Market or Fair Value of the Investments minus expenses incurred in the sale of assets plus Current Assets and accrued interest (net off fund management charges) less Current Liabilities and provisions}}{\text{Number of units outstanding under the Fund}}$

(k) **"Fund Value"** is the product of the total number of units under the Policy and the NAV.

(l) **"Life Insurance Cover"** is the difference between the Sum Assured and the Fund value.

(m) **"Allocation"** means creating the units at the prevailing NAV offered by the Company. This is applicable in case of premium payment and switches.

(n) **"Redemption"** means encashing the units at the prevailing NAV offered by the Company where the process involves cancellation of units. This is applicable in case of exercising switch, surrender, benefit payable on vesting and death.

(o) **"Switch"** means facility allowing the Policyholder to change the investment pattern by moving from one fund to other fund (s) amongst the funds offered under this product.

(p) **"Surrender"** means terminating the contract once for all. On surrender, the surrender value is payable which is "Fund value less the surrender charge" and is subject to the Clause 4 on "Surrender".

(q) **"Premium re-direction"** is the facility allowing the policyholder to modify the allocation of amount of renewal premium into a different investment pattern from the option (investment pattern) exercised at the inception of the contract.

(r) **"Valuation of funds"** is the determination of the value of the underlying assets of the unit linked fund.

(s) **"Premium Allocation Charge"** means a percentage of the Premium appropriated towards charges from the Premium received. The balance known as allocation rate constitutes that part of the Premium which is utilized to purchase (investment) units for the Policy. This charge is levied at the time of receipt of Premium.

(t) **"Fund Management Charge"** means a charge levied as a percentage of the value of assets and shall be appropriated by adjusting the NAV. This is a charge levied at the time of computation of NAV.

(u) **"Policy administration charge"** means a flat charge levied at the beginning of each Policy month from the Policy fund by canceling units for equivalent amount.

- (v) **"Surrender Charge"** means a charge levied on the Fund value at the time of surrender of the Policy.
- (w) **"Switching charge"** means a flat charge levied on switching of monies from one fund to another available within the product. The charge will be levied at the time of effecting switch.
- (x) **"Mortality Charge"** means cost of life insurance cover and is levied at the beginning of each policy month from the fund by canceling units for an equivalent amount. Where, the Sum Assured is zero, mortality charge is not levied.
- (y) **"Rider charge"** means a cost of Rider benefit and is levied at the beginning of each Policy month from the fund by canceling units for equivalent amount.
- (z) **"Original vesting Date"** means the vesting date stated at the inception of the policy.
- (aa) **"Postponed vesting Date"** means the Original vesting date as postponed by the Policyholder.
- (ab) **"Date of Commencement of policy"** as shown in the policy certificate is the date on which the age of the Life Assured and the term of the Policy are calculated and the same are shown on the Policy certificate

2. Postponement of the Original Vesting Date and choosing of the annuity option:

The Policyholder has the option to postpone the Original Vesting Date more than once. However on such Postponed Vesting Date the age of Life Assured shall not exceed 75 years last birthday.

The Company shall require a notice of six months before the last Vesting Date to postpone the same. Further the Policyholder shall, at least six months before the vesting date exercise his annuity option.

The policyholder has an option to switch units during the postponement period. However, there will be no life insurance cover and rider cover after the Original Vesting Date.

3. Benefits Payable and the applicable conditions:

3.1 Benefit payable on the vesting date provided the Policy is in force on the vesting date.

The Life Assured shall have the following options:

- (i) To utilize the entire Fund Value under the Policy on the Vesting Date, to provide annuity under the immediate Annuity Plan of the Company then available for this purpose, or
- (ii) To receive upto one third of the Fund Value under the Policy, in lumpsum and to utilise the balance amount to provide annuity under the immediate Annuity plan of the company then available for this purpose.
- (iii) To utilise the entire Fund Value under the Policy computed using the NAV as on the Vesting Date, to purchase annuity of the type as chosen.

3.2 Benefit payable on death of the Life Assured before the Original Vesting date subject to the Policy being in force as on the date of death.

The Company shall pay higher of;

- (a) the Fund value under the Policy and
- (b) the Sum Assured

3.3 Benefits payable on death of the Life Assured during the postponement period

The Company shall pay only the Fund Value under the Policy on the death of the Life Assured.

3.4 The benefits under clause 3.2 or 3.3 can be availed by the named spouse of the life assured under the Policy in the following manner:

- (i) to receive the above-mentioned amount in a lumpsum. The Policy shall terminate on payment of this amount or

- (ii) to receive a portion of the above-mentioned amount, in lumpsum and to utilise the balance amount to provide annuity under the Immediate Annuity plan of the company then available for this purpose.
- (iii) to utilise the entire amount mentioned above, to provide annuity under the Immediate Annuity plan of the company then available for this purpose.

3.5 Annuity Types Options available to the Annuitant (the Life Assured or the Spouse, as the case may be)

The Company shall apply the policy proceeds to buy an annuity under the Immediate Annuity plan of the Company then available for this purpose for payment of Annuity. Currently the following annuity options are offered by the Company:

- (1) **Life Annuity with return of Purchase Price**
The annuitant shall receive an annuity for life. The purchase price shall be payable on the death of the annuitant.
- (2) **Life Annuity without return of Purchase Price**
The annuitant shall receive an annuity for life.
- (3) **Joint Life, last survivor, without return of purchase price (Applicable only where the annuitant has a spouse at the time of commencement of the annuity)**
The annuitant shall receive an annuity for life. In case of death of the annuitant after the payment of annuity has commenced, the annuity shall become payable to the named spouse ("the spouse") for his / her lifetime.
- (4) **Joint Life, last survivor with return of purchase price on the death of the last survivor (Applicable only where the annuitant has a spouse at the time of commencement of the annuity)**
The annuitant shall receive an annuity for life. In case of death of the annuitant after the payment of annuity has commenced, the annuity shall become payable to the named spouse ("the spouse"). In case of death of the spouse after the annuity has commenced on his / her life, the Purchase Price shall be payable to the nominee of the spouse.
- (5) **Annuity guaranteed for a certain period**
The annuitant would receive an annuity for a certain period as selected by him (5, 10 or 15 years) and for life thereafter, if he survives the selected period. If, however, the annuitant dies before all the annuity installments due during the selected period (5, 10 or 15 years) are paid the balance annuity installments due during the selected period shall be continued to be paid.

There is no guarantee that the above mentioned annuity types will be available at the vesting date of the life assured

3.6 Notwithstanding anything contained in Clause 1 of General Conditions of the Policy document, where the standard age proof, as acceptable to the Company, has not been provided till the vesting date, then the annuity options shall be restricted as per the then rules of the Company.

3.7 Notwithstanding what is stated in Clause 3.1, 3.2, 3.3, 3.4 and 3.5 if the named spouse under the Policy has predeceased the Life Assured or where the spouse of the Life Assured is not a nominee under the Policy, the benefits, if any, on the death of the Life Assured shall be payable only in lump sum in favor of named nominee under the Policy or failing the named nominee to the Executors or Administrators or other legal representatives of the Life Assured who shall take out representation to the Life Assured's estate limited to the moneys payable under this policy from any court of competent jurisdiction.

3.8 Annuity rates will be quoted on application. There are no guaranteed annuity rates. The annuity will be purchased by using the applicable proceeds under the policy and by applying the annuity rates current on the day of the Company receiving the application for annuity from the annuitant.

3.9 To claim annuity payments, the survival of the annuitant on the day on which the annuity falls due has to be duly certified, in such manner as the Company may require.

3.10 Where the annuity ceases on the death of the annuitant, no part of the said annuity shall be payable or paid for such time as may elapse

between the date of payment immediately preceding the death of the annuitant, and the date of his death.

3.11 The life assured or spouse has the option to buy the annuity from any other insurance company. If the Life Assured or spouse wishes to buy the annuity from another insurance company, the balance of benefits after commutation, where effected, shall be used as purchase price to buy the immediate annuity from that company and thereafter the Company shall cease to have any obligation in respect of the annuity benefit/s payable under the policy.

3.12 Rider Benefit: If opted for and as specified in the Annexure. Further, the rider benefit cannot be availed where the Sum Assured chosen is zero.

4. Surrender

The policy acquires a surrender value after payment of full premium for the first policy year. However, the surrender value would be payable only after completion of three policy years or whenever the Policy is surrendered thereafter. The surrender value payable is the Fund Value after deducting the following surrender charges.

(a) Applicable surrender charges where three full years' premiums have not been paid

Complete policy years for which premium have been paid	Surrender Charge as a % of Fund Value
Less than one year	100%
One year	75%
Two years	60%

In case the premium payments are discontinued within the first three policy years, all benefits shall cease after the expiry of the days of grace for payment from the due date of the first unpaid premium.

(b) Applicable surrender charge after three full years' premium have been paid

No. of completed Policy years	Surrender Charge as a % of Fund Value
3 years	4%
4 years	2%

The surrender shall extinguish all the rights, benefits and interest under the policy.

5. Premiums

5.1 Payment of premiums

(i) Premiums are payable on the due dates and at the rate mentioned in the Policy Certificate at the time of commencement of the policy. A grace period of not more than 30 days, where the mode of payment of premium is other than monthly, and not more than 15 days in the case of monthly mode is allowed. If a premium is not paid on the due date or during the days of grace, the provisions as per clause 5.4 shall apply and the Policyholder will continue to have the benefit of investment in the respective unit funds.

(ii) Premiums are payable upto the Original Vesting Date of the policy.

(iii) Premiums are payable without any obligation on the company to issue a notice for the same.

(iv) Premiums are payable through any of the following modes:-

- 1) Cash *
- 2) Cheques
- 3) Demand Drafts
- 4) Pay Orders
- 5) Bankers Cheque
- 6) Internet (Infinity / Bill Junction / Bill Desk)
- 7) Electronic Clearing System
- 8) Credit Card

* Amount and modalities will be subject to Company rules and relevant legislation / regulation.

(v) If the Policyholder suspends payment of premium for any reason whatsoever, the Company shall not be held liable and the benefits, if any will be available only in accordance to the policy conditions.

5.2 Premium Allocation

The Premium paid shall be utilized for purchase of Units after the deduction of the Premium Allocation Charge as stated below:

Premium for Policy Year	1	2	3 - 10	Thereafter
Upto Rs. 19,999	20%	9%	1%	0%
Rs. 20,000- Rs. 49,999	17%	9%	1%	0%
Rs. 50,000 and above	14%	9%	1%	0%

The Policyholder has the option to allocate the Premium for purchase of units amongst one or more of the Fund(s). The number of Units purchased would be computed based on the NAV as provided in Clause 7.

5.3 Premium Re-direction:

The Policyholder shall specify the type of fund(s) and the proportion in which the premiums are to be invested in the chosen fund(s) at the inception of the policy. The Policyholder shall have an option to change the proportion in which the premiums are to be invested at the time of payment of subsequent premiums. This will not be treated as switch.

5.4 Continuation of Policy :

(i) If the premium is not paid on the due date or during the days of grace during the first three policy years, the Life Insurance Cover and the Rider Benefits, if any, shall cease and mortality and rider charges will not be deducted. However, Fund Management charge would continue to be applicable. Further no other transaction or payout will be allowed during this period till the policy is revived except the payment of Fund Value on the death of the Life Assured during this period.

(ii) If full premium has been paid for three policy years and three policy years have elapsed and any subsequent premium is not paid on the due date or during the days of grace, then the policyholder shall have an option of continuing the cover. In such cases, all benefits including Life Insurance Cover and Rider Benefit, if any will continue subject to the deduction of charges by way of cancellation of units and subject to the foreclosure condition mentioned in Clause 10.

(iii) If full premium has been paid for three policy years and three policy years have elapsed and any subsequent premium is not paid on the due date or during the days of grace, and the policyholder has not opted for continuation of cover, then the life insurance cover and rider benefit, if any, shall continue subject to the deduction of charges by way of cancellation of units only till the end of the period of two years from the due date of the first unpaid premium and subject to the foreclosure condition as mentioned in clause 10, whichever is earlier.

The Pension Return Guarantee Funds are close ended funds of terms 5 and / or 10 years. They are intended to provide the Policyholder a return over a specified period, subject to a guarantee. The funds may be offered in tranches over a period of time and each tranche will be open for subscription for a brief period of time and will terminate on a specified date. The Company shall guarantee the NAV of this fund at the time of termination of each tranche. On that date, the higher of prevailing NAV or Minimum Guaranteed NAV will apply for the units in PRGF.

The Company proposes to offer new tranches of these funds from time to time and the Minimum Guaranteed NAV will be specified at the time of launch of each new tranche.

If the Policyholder opts for PRGF at inception, the first premium will be directed to the fund. Subsequent premiums are allocated to the other funds in a proportion specified by the Policyholder at the time of inception. If the Policyholder wishes to invest Subsequent premiums in the PRGF, he may do so by switching monies into the PRGF. Please refer to section 8.1 for details.

On termination of a tranche of PRGF, the fund proceeds will be allocated to the remaining funds, in the proportion of units held therein, as on the date of termination. In an exceptional case where the entire fund is invested in the PRGF, the proceeds will be allocated to the funds opted at policy inception.

In the exceptional case where the Original Vesting Date coincides with the termination date of a tranche of PRGF, then the higher of NAV of the PRGF as on that date (subject to the same being a valuation day) and Minimum Guaranteed NAV of the PRGF tranche would apply while calculating the maturity value of the portion of investments in that tranche of PRGF.

6.2 Valuation Date

The NAV shall be declared by the company on a daily basis except on Bank holidays, Exchange holidays, Saturdays, Sundays and the days on which the Corporate Office is closed.

6.3 New Funds

New Funds may be introduced by the Company from time to time and the Policyholder shall be notified of the introduction of such new Funds. The Company may offer the Policyholder the option to switch to those Funds at such NAV and subject to such terms and conditions as may be specified by the Company at that time. Switching between the existing Funds is subject to the terms and conditions detailed in Clause 8.1 herein.

6.4 Investment of the Funds

The Company shall select the investments, including derivatives and units of mutual funds, by each Fund at its sole discretion subject to the investment objectives of the respective Fund and the IRDA Regulations in that behalf. All assets relating to the Fund shall be and shall remain in the absolute beneficial ownership of the Company. There is no trust created, whether express or implied, by the Company in respect of the investments in favour of the Policyholder / Assignee/ Nominee of the Policy or any other person.

6.5 Fund Closure

Although the Funds are open ended, the Company may, in its sole discretion close any of the Funds on the happening of any event which in the sole opinion of the Company requires the said Fund to be closed. The Policyholder shall be notified of the Company's intention to close any of the Funds and on and from the date of such closure, the Company shall cease to issue, redeem and cancel Units of the said Fund and cease to carry on business activities in respect of the said Fund. In such an event if the Units are not withdrawn or switched to another Fund by the Policyholder, the Company will switch the said Units to any another Fund at its sole discretion. However no fee would be charged for switching to another Fund in the event of such closure of Funds.

6.6 Risks of investment in the Funds

The Policyholder is aware that the investment in the Units is subject to the following, amongst others, risks and agrees that he is making the investment in the Units with full knowledge of the same.

- (i) LifeTime Super Pension Policy is only the name of the Policy and does not in any way indicate the quality of the Policy, its future prospects or returns.

The Fund Management charges shall be;

- (a) Pension Maximiser II - at the rate of 1.50 % per annum of the net assets.
- (b) Pension Balancer II - at the rate of 1.00% per annum of the net assets.
- (c) Pension Protector II – at the rate of 0.75% per annum of the net assets.
- (d) Pension Preserver – at the rate of 0.75% per annum of the net assets.
- (e) Pension Flexi Growth II– at the rate of 1.50% per annum of the net assets.
- (f) Pension Flexi Balanced II – at the rate of 1.00% per annum of the net assets.
- (g) Pension Multiplier II – at the rate of 1.50% per annum of the net assets.

9.3 Recovery of charges

- (a) The Fund Management Charge pertaining to the net assets under the Fund (s) will be priced in the NAV of the Fund.
- (b) Premium Allocation charge is recovered by way of deduction from Premium
- (c) All other Charges would be recovered by cancellation of Units
- (d) In the event that the Units are held in more than one Fund, the cancellation of Units will be effected in the same proportion as the fund value held in each Fund.

9.4 Revision of Charges

The Company reserves the right to revise the following Charges at any time during the term of the policy. Any revision will be with prospective effect subject to approval from IRDA and after giving a notice to the Policyholders.

The Company reserves the right to change the Fund Management charge pertaining to the net assets under the Fund (s) with prior approval from the IRDA to a maximum of 2.50% per annum of the net assets for each of the Funds.

The Company reserves the right to change the Policy Administration charge at any time with prior approval from the IRDA upto a maximum of Rs.120/- per month.

The Company reserves the right to change the switching charge at any time with prior approval from the IRDA upto a maximum of Rs.200/- per switch.

If the revision in the charges is not agreeable to the policyholder, the policy can be terminated by withdrawing all the units in the Funds at the then prevailing NAV.

The surrender charge, premium allocation charge, mortality charge and rider charges are guaranteed for the term of the policy.

The rider charges under Waiver of premium Rider (WOPR) and Accident and Disability Benefit Rider (ADBR) are guaranteed for the term of the policy.

10. Foreclosure of the Policy

If the full premium for the first three Policy years is not paid and the policy is not revived within the period of two years from the due date of the first unpaid premium, then the surrender value as described in Clause 4 will be paid at the end of the third policy year or at the end of the reinstatement period, whichever is later.

If premiums have been paid for three full Policy years and after three Policy years have elapsed and the Fund value across all Funds under the Policy falls below 110% of one full year's premium, the policy shall be terminated by paying the Fund Value after applying surrender charges, if applicable as per Clause 4.

General Conditions

1. Age

- i) The Mortality and rider benefit charges payable under the Policy have been calculated on the basis of the age of the Life Assured as declared in the Proposal. In case the age of the Life Assured has not been admitted by the Company, the Policyholder shall furnish such proof of age of the Life Assured as is acceptable to the Company and have the age admitted.

- ii) In the event the age so admitted (the "correct age") is found to be different from the age declared in the Proposal, without prejudice to the Company's other rights and remedies including those under the Insurance Act, 1938, one of the following actions shall be taken:

- a) If the correct age of the Life Assured is such as would have made the Life Assured uninsurable under the Plan of assurance specified in the Policy Certificate, the Plan of assurance shall stand altered to such Plan of assurance as is generally granted by the Company for the correct age of the Life Assured, which will be subject to the terms and conditions as are applicable to that Plan of assurance. If the Policyholder does not wish to opt for altered Plan or if it is not possible for the Company to grant any other Plan of assurance, the policy shall stand cancelled from the date of issue of the policy and the Fund value shall be returned subject to deduction of the expenses incurred by the Company on the policy.
- b) If the correct age of the Life Assured is found to be higher than the age declared in the Proposal, then subject to the underwriting evaluation at point of such knowledge if the Life Assured is found insurable the charges payable under the Policy shall be altered corresponding to the correct age of the Life Assured (the "corrected Mortality and rider benefit charges") from the date of commencement of the Policy and the Policyholder shall pay to the Company the accumulated difference between the corrected charges and the original charges from the commencement of the Policy up to the date of such payment with interest at such rate and in such manner as is charged by the Company for late payment of premium. If the Policyholder fails to pay such accumulated difference, together with interest, the same shall be recovered by cancellation of Units. Where the Life Assured is not found insurable, then the Company would pay the Fund value under the Policy and terminate the Policy.
- c) If the correct age of the Life Assured is found to be lower than the age declared in the Proposal, the charges payable under the Policy shall be altered corresponding to the correct age of the Life Assured (the "corrected Mortality and rider benefit charges ") from the date of commencement of the Policy and the Company shall refund without interest, the accumulated difference between the original charges paid and the corrected charges. For the purpose of above clauses, the fund value shall be calculated by using NAV of the date of cancellation / termination of the policy by the company.

- iii) The age of the Life Assured and that of his/her spouse shall be admitted before the purchase of annuity.

2. Revival of the Policy

A policy, which has lapsed for non-payment of premium within the days of grace, may be revived subject to the following conditions: -

- a. The application for revival is made within two years from the due date of the first unpaid premium; If the Policy is not revived within this period, then the Policy shall be foreclosed by paying the Surrender Value at the end of the revival period or at the end of three years whichever is later.
- b. The Policyholder, at his own expense, furnishes satisfactory evidence of health of the Life Assured, if required;
- c. The receipt of arrears of premiums
- d. The revival of the policy may be on terms different from those applicable to the policy before it lapsed; and
- e. The revival will take effect only on it being specifically communicated by the Company to the Life Assured.
- f. During this period, the policyholder will continue to have the benefit of investment in the respective unit funds.

3. Nomination

The Life Assured, where he is the holder of the Policy, may, at any time during the tenure of the Policy, make a nomination for the purpose of payment of the moneys secured by the policy in the event of his death. Where the nominee is a minor, the Life Assured may also appoint a person to receive the money during the minority of the nominee. Nomination may be made by an endorsement on the Policy and by communicating the same in writing to the Company. Any change of nomination, which may be effected before the termination of the Policy shall also be communicated to the Company.

The Company does not express itself upon the validity or accept any responsibility on the nomination in recording the or registering the nomination or change in nomination.

4. Suicide

If the Life Assured, whether sane or insane, commits suicide within one year from date of issue of this policy, then only the Fund value and the policy shall terminate on the said payment.

5. Special Provisions

Any special provisions subject to which this Policy has been entered into whether endorsed in the Policy or in any separate instrument shall be deemed to be part of the Policy and shall have effect accordingly.

6. Policy Alterations

Policy alterations would be allowed after payment of at least one full year's premium subject to the rules of the company and IRDA guidelines at that point in time.

7. Incontestability

In accordance to the Section 45 of the Insurance Act, 1938, no Policy of life insurance shall after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that a statement made in the proposal of insurance or any report of a medical officer, or a referee, or friend of the insured, or in any other document leading to the issue of the Policy, was inaccurate or false, unless the insurer shows that such statements was on material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the Policyholder and that the Policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose.

Provided that nothing in the section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof that the age of the Life Insured was incorrectly stated in the proposal.

ANNEXURE
Rider Benefit(s) applicable if opted for

A. Accident and Disability Benefit Rider

(I) Accident Benefit

Subject to the conditions set out below, if whilst the policy is in force, the Life Assured is involved in an accident, but before the policy anniversary on which his age nearer birthday is 65, resulting in his death the Company agrees to pay the person/s to whom the benefits are payable under the Policy an additional amount equal to the Accident and Disability Benefit Sum Assured (hereinafter referred to as "accidental cover") under this rider benefit.

In the event of such death occurring while the Life Assured is using, as a fare paying passenger, authorised public mass surface transport namely bus or train, operating under terms of such authorisation, the additional amount payable under this benefit shall be enhanced to twice the amount of accidental cover under this rider benefit.

The conditions subject to which this benefit is payable, are:

- a) The death due to accident must be caused by violent, external and visible means;
- b) The death due to accident is not caused -
 - i) by attempted suicide or self inflicted injuries while sane or insane, or whilst the Life Assured is under the influence of any narcotic substance or drug or intoxicating liquor; or
 - ii) by engaging in aerial flights (including parachuting and skydiving) other than as a fare paying passenger on a licensed passenger-carrying commercial aircraft (being a multi-engined aircraft) operating on a regular scheduled route; or
 - iii) by the Life Assured committing any breach of law; or
 - iv) due to war, whether declared or not or civil commotion; or
 - v) by engaging in hazardous sports / pastimes, i.e. taking part in (or practising for) boxing, caving, climbing, horse racing, jet skiing, martial arts, mountaineering, off piste skiing, pot holing, power boat racing, underwater diving, yacht racing or any race, trial or timed motor sport.
- c) The accident shall result in bodily injury or injuries to the Life Assured independently of any other means;
- d) Such injury or injuries shall, within 180 days of its occurrence, directly and independently of any other means cause the death of the Life Assured; and
- e) The death of the Life Assured shall occur before the expiry of the period for which premiums are payable or before the policy anniversary on which his age nearer birthday is 65, whichever is earlier;

However, if the period of 180 days from the occurrence of the accident is current on the policy anniversary on which the Life Assured attains age 65 nearer birthday, the accident benefit shall be payable on death during that period.

The Policy must be in force on the date of accident as well as on the date of death.

(ii) Disability Benefit

Subject to the conditions set out below, if whilst the policy is in force, the Life Assured is involved in an accident, but before the policy anniversary on which his age nearer birthday is 65, resulting in his total and permanent disablement, which will disable him to work or follow any occupation or profession, then with effect from and including the date of such disability (hereinafter called "Disability Date") the Company agrees to provide the following benefit

1. Commencing from the first anniversary of the Disability Date and on each anniversary thereafter pay in ten annual installments, each equal to one-tenth of the amount of accidental cover under this Rider Benefit. In the event of the policy resulting in a claim before the receipt by the Life Assured of the last such installment, then the installments remaining unpaid shall become payable along with the claim.

2. The conditions subject to which the benefit is payable, are:

- (a) The disability must be caused by violent, external and visible means;
- (b) The disability is not caused,
 - i) by attempted suicide or self inflicted injuries while sane or insane, or whilst the Life Assured is under the influence of any narcotic substance or drug or intoxicating liquor; or
 - ii) by engaging in aerial flights (including parachuting and skydiving) other than as a fare paying passenger on a licensed passenger-carrying commercial aircraft operating (being a multi engine aircraft) on a regular scheduled route; or
 - iii) by the Life Assured committing any breach of law; or
 - iv) due to war, whether declared or not or civil commotion; or
 - v) by engaging in hazardous sports / pastimes, i.e. taking part in (or practising for) boxing, caving, climbing, horse racing, jet skiing, martial arts, mountaineering, off piste skiing, pot holing, power boat racing, underwater diving, yacht racing or any race, trial or timed motor sport.
- (c) If there are any other benefits payable under this rider benefit, then all such benefits shall cease to be available on and after the Disability Date.
- (d) The Disability must result within 180 days from the date of occurrence of the accident.

Notes:

1. The Mortality Charges applicable to Female Life Assured will be those applicable to a two years younger Male Life Assured.
2. For Female Life Assured of age 7 and 8, the charges will be those applicable to Male Life Assured of age 7
